**CARLSBAD UNIFIED ADMINISTRATION AND SUPPORT STAFF ARE  
WORKING TO MAKE SURE THAT ALL SITES ARE SAFE AND READY TO  
RE-OPEN ON MONDAY**

Carlsbad, CA ... Due to last night's power outage and the uncertainty of power throughout the county, the San Diego County Office of Education Superintendent directed all public schools, including those in Carlsbad Unified School District, to be closed today, September 9<sup>th</sup>. Some Carlsbad Unified campuses did not have power as of 6:00 am on Friday, so would have been unable to open.

Students and teachers were notified early this morning not to report to school. All Kids Care programs are closed today as well.

Administrators and support staff, including District Office employees, office staff, custodians, maintenance, grounds, and food service staff, are reporting to work.

District Superintendent John A. Roach, Ed.D. states, "We are currently working to restore power, alarm systems and communications systems, remove any spoiled food from refrigerators, and reset all systems so that all schools can open safely on Monday, September 12<sup>th</sup>."

The District will communicate with families and staff through Blackboard Connect, the District website ([www.carlsbadusd.k12.ca.us](http://www.carlsbadusd.k12.ca.us)), Twitter ([www.twitter.com/SuptRoach](http://www.twitter.com/SuptRoach)) and Facebook (<http://www.facebook.com/CarlsbadUnifiedSchoolDistrict>).

For the most up-to-date information, please check the District's Facebook page regularly.
