Wellness Policy and Food Safety

The district's health and wellness policy was developed to improve our student's health and achievement. One goal is to offer nutritious food in a safe and healthy environment. This menu was planned in accordance with this policy and the guidelines set forth by The National School Breakfast and Lunch Programs.

Refer to the Nutrition Services brochure
"We Feed The Future"
for more detailed information.

To minimize the risk of foodborne illness; we ask that all food be purchased from an approved vendor. This guarantees all items are prepared in a safe environment. Food prepared at home will not be allowed.
