CATEGORY B - ALTERNATIVE BRAND LAMPS														
Brands OTHER THAN Philips, Sylvania, or General Electric (GE).														
<i>Bidders for Category B shall comply with the following specifications:</i>														
1) Products shall not have more than 1% defective rate.														
2) Alternative lamps bid shall meet the listed specifications and shall be equal to the major brand lamps listed.														
2) Bidders shall provide a statement to define company warranty/guarantee of product performance.														
3) If alternative brand lamp causes damage to a light fixture that can be traced back to the fault of the lamp, awarded vendor(s) shall reimburse district for all service cost incurred to repair or replace the fixture.														
Note: Usage quantities for Category B, alternative brand lamps, are unknown due to this being a new option on the bid.
