

How to Register for School Loop

1. Go to www.aoms.schoolloop.com
2. Click on the “Register Now” button.
3. Select “Student Registration” for a student account or “Parent Registration” for a parent account. We encourage both students AND parents to register.
4. Enter requested information and click “Register”. Please note: the Student ID Number is the 5 digit number located on the students ID card & class schedule.
5. You will be able to access school loop as soon as your account is approved by AOMS administration.
6. You will receive a nightly email with a snap shot of anything the teacher has posted regarding your student’s progress report, classroom or homework assignments, and school news.
7. You will be able to view more complete progress information by checking the blue hyperlink “Progress Report” in the Dashboard section, blue hyperlink assignments in the “Work Due” area and communicate with teachers by clicking on the small envelope next to the teachers name in the students schedule section.
